

## What better way to encourage your Scouts to recruit their friends into Scouting?

This year, the Audubon District is happy to announce its new and improved “Recruit a Friend into Scouting” program. For the first friend recruited into Scouting, your Scout will receive a free recruiter patch. Each additional friend recruited will earn him a star segment to put around the recruiter patch.

The Cub Scout and Boy Scout that recruits the most boys to join Scouting will be awarded a \$50.00 VISA gift card at the 2012 Annual District Banquet. This promotion will begin on July 11, 2011 and will end on December 31, 2011.

All your Scout has to do is invite their friend to join their pack or troop. Once the friend has registered, simply fill out the below form, and return it to the district executive or the council service center with the new Scout’s registration form and appropriate registration fees. The appropriate recruiter recognition and a certificate will be sent to the unit leader for presentation to the Scout.

Please cut along dash line and forward the bottom portion to the district executive or the council service center.
